

Mahopac Public Library Gift Materials Program Form

Mahopac Public Library offers the community an opportunity to purchase materials for the library as a memorial to friends or relatives; as a gift to a friend or relative, or on their own behalf to enrich the library's collection.

Acknowledgment will be sent to the person, or person's family, designated below. A plate will also be placed in the purchased item on their behalf.

Gift material purchases are at the discretion of the library director. However, you may note areas of special interest, such as children's books, DVD, or biography, for example.
